

2014 Spring International Conference on Material Sciences and Technology (MST-S)

Conference: **April 16-18, 2014** Shanghai, China

Final submission date: **January 8, 2014**

Dear Colleagues,

We are pleased to inform you that the **final submission date** of 2014 Spring International Conference on Material Sciences and Technology (MST-S) is **January 8, 2014**, this conference will be held from April 16 to 18, 2014 in Shanghai, China. If you have unpublished papers in hand and have the idea of making our conference a vehicle for your research interests, please submit your manuscripts to this conference through [paper submission system](#) without hesitation.

Publication and Presentation

All accepted papers from your submission will be published in the journal of Advanced Materials Research owned by **TTP publishing** in Switzerland and **indexed by Ei Compendex databases**. To be considered for an oral presentation, you may simply submit an abstract.

Attendance without publication and presentation is also welcome.

Conference Speakers

- Prof. Wanyang Dai, Nanjing University
- Prof. Jianbo Gao, Wright State University
- Prof. Bankim Chandra Ray, National Institute of Technology
- Prof. Alexander A. Bagaturyants, Russian Academy of Sciences
- Dr. Jeng-Da Chai, National Taiwan University
- Prof. Hossain Uddin Shekhar, University of Dhaka

Related Topics ([click here to find more](#))

- Biomaterials
- Multiferroic Materials and Composites
- Energy Issues
- Nanotechnology and Materials
- Materials Chemistry
- Processing and Product Manufacturing
- Materials Performance
- Electronic and Magnetic Materials

We would extend our highest appreciation and warmest welcome to your distinguished paper. For detailed information about CEN-S, please visit: www.engii.org/scet2014.

Best wishes and Merry Christmas,
MST Organizing Committee
