Dear Colleague,

[Click here to report unrequested email and unsubscribe.](#)

Account: yuriy.plevachuk@lnu.edu.ua

Due to many requests, the paper submission deadline has been extended to 12 February 2023.

We would like to invite you to submit a paper to 11. European Conference on Renewable Energy Systems (ECRES). **ECRES 2023 will be held hybrid mode, the participants can present their papers physically or online.** The event is going to be organized in Riga/Latvia under the technical sponsorship of University of Latvia and many international institutions. The conference is highly international with the participants from all continents and more than 50 countries.

The submission deadline and special and regular issue journals can be seen in [ecres.net](http://ecres.net)

[CLICK FOR PAPER SUBMISSION](#)

All accepted papers will be published in a special Conference Proceedings under a specific ISBN. Besides, the extended versions will be delivered to reputable journals indexed in SCI, E-SCI, SCOPUS, and EBSCO. You can check our previous journal publications from [ecres.net](http://ecres.net). **Please note that the official journal of the event, Journal of Energy Systems ( [dergipark.org.tr/jes](http://dergipark.org.tr/jes) ) is also indexed in SCOPUS**

All the accepted and presented papers will be directed to the journals for peer-review process. You can check our earlier published special issues from past events page.

Special session organizers who have possible regular authors can directly write to Prof. Dr. E Kurt ( [ekurt52tr@yahoo.com](mailto:ekurt52tr@yahoo.com) ) to organize a special session. Each special session consists of at least 5 registered authors.

Please feel free to circulate this message among your friends. We would like to send our greetings and looking forward to seeing you in Riga.

Paper submission deadline: [12 February 2023](#)
